Pearl River

GP 142 Grand Piano

A classic "baby grand" with the warm, rich tones typical of much larger instruments. Pearl River has married design concepts originated by fine European craftsmen with a technological skill that will satisfy the most demanding piano connoisseurs. The Euro-Designed Baby Grand not only delivers concert-hall-quality sound, but also compliments any environment with exceptional furniture design.

The Pearl River Piano Group Ltd. was established in 1956 and has rapidly grown to become one of the world's leading piano manufacturers. Today with nearly 4,000 employees and over 3 million square feet of production space, Pearl River has the capacity to manufacture over 100,000 pianos per year.

Pearl River is proud to be the first piano factory in China to be awarded the ISO 9001 Certification for Quality Control Systems and was also recently awarded ISO 14001 for Environmental Management System Compliance.
