Thank you for purchasing the Teego Golf ShagStick™!

Extending

Grasp the trigger end of the ShagStick™ with one hand and the opposite end with the other hand, then press in the locking tabs at the top and **slowly** pull the tubes apart until the lower locking tabs engage. See figure 1.

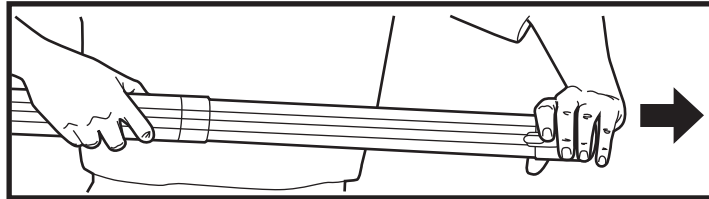

Figure 1

Picking Up & Releasing Balls

Holding the ShagStick™ by the handle, place it directly over a golf ball and press down until the ShagStick touches the ground. Repeat this for each ball that is to be picked up. See figure 2.

To release golf balls make sure the ShagStick™ is tilted downward and press the trigger lever down. See figure 3.

To release a single golf ball quickly tap and release the trigger lever.
