

FREELANCE SENIOR PACKAGING ARTWORKER

HQ, Kortrijk – Belgium

What type of breed are we looking for?

Are you the magician that can bring packaging designs to life? Do you take pride in colouring within the lines? Do you speak in stereotypes and clichés? Great, keep on reading then.

We are looking for an experienced artworker that dares to lay hands on the proud and joy, that is our packaging. You think in layers and dots and understand how to enchant consumers with them. You fire away technical masterpieces to our packaging suppliers and keep printers on the leash.

What will be in your bowl?

When our products need a face-lift, you feel prompted:

- Transform creative packaging designs to final printed products
- Engage with our European packaging suppliers to master print specifications & limitations
- Carry out thorough pre-press checks and ensure a correct usage of colours, cutters and layers
- Attend print productions as colour guardian
- Ensure all artwork projects to be delivered on time

Give us a shout if this sounds like you! – simon@edgardcooper.com
