

## **Veterinary nutritionist Belgium, Kortrijk**

### **A little bit about Edgard & Cooper:**

Once upon a time, our founders wanted to feed their dogs - Edgard and Cooper – pet food they could feel good about. The kind of food that was as good for the planet as it was for their pets. But they couldn't find anything that was quite right. So...to cut a long story short, they decided to make their own!

Today, 4.5 years later, Edgard & Cooper has sold over 5 million bags of food, hired over 100 people across Europe and made lots and lots of dogs & cats (and their owners) feel good!

### **A little bit about us:**

We call ourselves 'the pack' because we stick together. That means we're a bunch of nature-loving, animal-adoring, purpose-driven pals! Working here means working in an international and supportive team in which everyone has a voice. We're big fans of curiosity and learning on the job, and we love people who take the initiative.

So if you want to join a fast-growing team that's REALLY making a 'pawsitive' difference, you've come to right place!

### **What type of breed are we looking for?**

Veterinary in heart and soul? Passionate about healthy nutrition? Perfect translator of scientific information into understandable nutritional messages? Hands-on mentality?

In this job you will be in the product team. People of the product team are the creators & gatekeepers of our products ensuring our Edgard & Cooper ethos is embodied within our complete range.

Together with the team you will promote Edgard & Cooper through the creation of relevant, understandable and compelling nutritional information, content and copy for both internal and external audiences. You understand the complexities of every dog's & cat's nutritional needs and know how their nutritional needs can be best met. So this means you will be the mainstay in all our nutritional and veterinary projects and will have a daily impact of the health & joy of our lovely pets.

## What will be in your bowl?

### NUTRITIONAL EXPERTISE

- Provide detailed technical, nutritional information & training on all existing and any new products for internal and external audiences
- Guide and support colleagues with your nutritional knowledge
- Provide dietary management advice in treating pets with certain health problems.
- Support sales and marketing programs effectively.
- Discuss and promote the research and science behind Edgard & Cooper products.
- Involvement in all steps in the product innovation process.
- Assist the product manager in product label claims.
- Comprehend and apply food science and pet nutrition principles effectively in project work.

### CUSTOMER HAPPINESS

- Design nutrition & health programs for our customers.
- Write scientific content, articles & blogs together with the content team to support our story.
- Provide professional, friendly, accurate and timely response to customers & consumers by email or phone, through the internet and social media sites in close collaboration with our customer happiness team.

## What skills & tricks should you bring?

- You have high level experience in pet food nutrition
- It would be pawesome if you have excellent communication skills, including presenting and training abilities.
- You'll thrive here even more if you are fluent in English
- Having the ability to embrace, embody and exude all that is special and unique about Edgard & Cooper is huge plus, too!
- You love to use your interpersonal skills as you will work with diverse teams with different experiences and backgrounds.

## What treats do we have for you?

A competitive salary in line with your experience. This is a full time permanent role, based in our HQ. You will have a work phone & laptop, unlimited access to our only true own gym to keep you fit and healthy and you will receive from one day to another a bunch of amazing colleagues.

We offer you a rich learning opportunity in a truly international environment that will give you extensive responsibility but also guidance as you need it. You'll find yourself part of a passionate, professional, results-oriented team, helping to improve the joy of our pets. We value ambition and a desire to build a highly successful career.

If the above sounds like you and you feel excited about it, apply via email attaching your CV and cover letter: [bo@edgardcooper.com](mailto:bo@edgardcooper.com) – I'm looking forward to reading why you want this role!

**Ideal start date:** As soon as you're ready for it!

**Recruitment process:** First, you will have a phone interview and then we will organize video and in person interviews with the teams where possible. We hope the process will take a few weeks only!

**Equal opportunities:** We believe the strength of a pack comes from its diversity. So no matter who you are, where you come from, what you believe in or what your dreams are, we welcome you and look forward to receiving your application.

**Accessibility:** Our HQ office and satellite sites are wheelchair accessible
