

# DASHWOOD

INSPIRED BY OUR PRECIOUS ENVIRONMENT

Dashwood embraces the natural beauty of the coastlines and unique flora and fauna that are synonymous with New Zealand. Taking inspiration from the native Pohutukawa that flowers in summertime along New Zealand's coastlines, our wines embody the care and respect we have for our precious environment.

## WINEMAKING

Grapes were harvested in and gently pressed following short period of contact with the skins. Cool fermentation to retain pure and vibrant fruit aromas was followed by a short amount of time on lees to build structure in the palate.

## ROSÉ 2023

A blush pink rosé with aromas of strawberry, melon, cherry & hibiscus florals. These aromas carry to a moreish palate of berry & grapefruit with an inviting creamy fullness.

A refreshing, elegant acidity gives the wine a long, mineral finish. Best paired with dishes such as fresh seafood, lamb, goats' cheese and creamy desserts.
