

GENERATIONS OF SONG – PEREK SHIRA

Music and Lyrics by Malki Giniger

VERSE A

Take a look around you
A symphony of sound
Creation in its rhythm
The melody astounds
Each creature plays its part
Music from their hearts
La'Hashem Ha'aretz Umeloah

Shining stars up in the heavens
Waves upon the seas
Roaring lions in the jungle
Fruit blossoms in the trees
The wilderness, the desert sand
An eagle in its flight
They rhapsodize Perek Shira

CHORUS

Generations of song
Sing loud sing strong
Each one feels the same
As they call out His name
Thank You Hashem as I sing You my song
Chasdei Hashem Leolam Ashira

VERSE B

Still the symphony's unfinished
It's music left unheard
The job's for man as its conductor
To orchestrate each word
It's You Hashem who we will serve
We raise our voice in song
Ailecha Hashem Nafshi Ekra

Now with deep anticipation
We await that final day
When all of us will come together
In a single voice we'll pray
Vesham Nashir Shir Chadash
Singing the same song
Shiru Lanu Mi-Shir Tziyon

CHORUS

Generations of song
Sing loud sing strong
Each one feels the same
As they call out His name
Thank You Hashem as I sing You my song
Chasdei Hashem Leolam Ashira

BRIDGE

Your gift of song, each melody
Each note, each tune and every harmony
Just sing out loud
Allow your voice to fly

CHORUS x2

Generations of song
Sing loud sing strong
Each one feels the same
As they call out His name
Thank You Hashem as we sing You our song
Chasdei Hashem Leolam Ashira
