

**SURPRISE!**  
**IF YOU HAVE MEDICARE,**  
**YOU MAY QUALIFY FOR**  
**A FREE DIABETES TEST**

# GET YOUR **FREE DIABETES TEST!** TALK TO YOUR DOCTOR TODAY.

If you're 65 or older, and have **ONE OF THE FOLLOWING HEALTH RISKS**, you qualify for a **FREE diabetes test**, covered by Medicare.

- Family history of diabetes
- High blood pressure
- High cholesterol
- Overweight
- Diabetes during a past pregnancy

Almost **HALF** of Americans 65 or older have undiagnosed prediabetes or diabetes.

If you have one of the health risks above, speak with your doctor about getting tested.

Diabetes is the leading cause of new cases of blindness, kidney failure and amputations of feet and legs not related to accidents or injuries. Finding out if you have type 2 diabetes is the first step toward getting and staying healthy.
