Wireless Supply Announces New Staff Member

Clorinda Sadler joins as Customer Service Representative

Charlotte, NC, May 14, 2018 Wireless Supply is pleased to announce the newest member of its support team. Clorinda Sadler has joined the Wireless Supply team as Customer Service Representative.

Clorinda comes to Wireless Supply after having been a part of the industry for many years being involved in the tower side of the business. She brings a vast knowledge of the wireless/tower business to the team.

“ We are excited to have Clorinda join our team. She has a good knowledge of the components of a wireless system and will be a huge asset to our internal staff as well as our customers and Manufacturer Representatives.” said Jeff Hall, General Manager of Wireless Supply.

Clorinda will be responsible for customer support, working with the manufacturer representatives and providing marketing support at trade shows and other company events.

Wireless Supply is a manufacturer of components for iDAS, oDAS and small cell systems. They specialize in passive components as well as RF and fiber cable to support the growing demands of wireless operators, system integrators, VARs and distribution partners
