FLOORING

MAESTRO

European quality. Everyday practicality.

For homeowners who love the look and feel of hardwood, but are looking for a more affordable alternative, Maestro wide-plank laminates deliver an ovation performance. Made in Europe, the superior craftsmanship of this authentic looking flooring is in perfect harmony with its scratch and stain resistant qualities. Available in ten beautiful colours, this stylish flooring will strike the right chord in every part of the home, and is especially suited to high-traffic areas.
