VOYAGE

Voyage floors, in their range of colours, textures and styles, reflect the legendary film stars whose movies they're named after. Choose from a collection of nine colours, either in 5 3/4" planks for a classic oak look, or in random-width planks – 3 3/4", 5 3/4" and 7 3/4" – for a realistic, authentic effect. All Voyage floors come with an integrated underlayment for sound abating and moisture resistant properties.

Exclusive to Divine Flooring.
