Kelvin was born in Kisii County. He lived there before moving to Kibera, Nairobi at the age of nine. As a young boy trying to explore his new environment, he was introduced to Uweza Soccer and later Uweza's art classes for kids. That marked the beginning of his journey as an artist. His main inspiration comes from his surrounding, observation and imagination. He prefers using acrylic paints, graphite pencil on paper and canvas. He loves to work with acrylic because it dries faster and is also versatile and durable. Kelvin has participated in group exhibitions and Uweza art events.
