'LAP550' Self-adhesive labeller

Small, well-engineered, semi-automatic bench-top labeller, easily adjustable for a wide range of bottle and label sizes including flat-sided and shaped bottles, boxes, packages, bags, pouches, lids, tins and much more.

Labels are applied with high precision, which can be especially important when centering on a square bottle for example. Front-and-back labels may be applied from one reel (two passes on the machine required)

Maximum label roll width is 100 mm.

Speed **MAX** 500 bottles per hour
