hydration rescue gel with calendula and comfrey

who am I?

A sublime hydration and soothing gel. Certified Organic Aloe Gel is infused with the ultimate skin rescue ingredients all sourced from nature. Calendula and comfrey provide century old therapeutic support for sensitive and dry skin.

what are the benefits of using me?

- hydration rescue gel is the ultimate in reducing the effects of sun damage, redness, inflammation and dryness.
- a soft plumping action provides a natural lift to the skin.
- this powerful humectant holds moisture in the skin's surface.
- mucopolysaccharides in aloe vera provide a natural moisturising factor for the skin
- aides in healing and tissue repair

who can use me?

- created for all skin types.
- for oily complexions use as an "oil free" moisturizer
- use daily under your chosen moisturizer for extra hydration or calming benefits
- use after sun. The perfect post sun remedy for sun damaged skin
- use as an aftershave balm for men.

how do you use me?

- apply 1 pump to face and neck, re-apply as needed.

what am I made from?

Certified organic content: 87%

Certified Organic Aloe Gel: Aloe acts as a humectant that supports skin hydration. Aloe vera has been used for centuries to reduce skin inflammation.

Kakadu Plum: This miracle superfruit provides anti-aging protection, nourishment and super hydration from the world's highest source of Vitamin C.

Carageenan Extract: Red Edible Seaweed. Carrageenan Extract facilitates immediate hydration. Illuminates, firms and soothe your skin.

Calendula and Comfrey: These ancient herbs have long been used for their anti-inflammatory and wound healing benefits.
