

rosemarymint body cleanser with aloe and superberries

who am I?

A refreshing body cleanser uniquely formulated with certified organic aloe leaf juice and indigenous 'superberries'. Designed to cleanse and rejuvenate your entire body whilst awakening the senses. Infused with indigenous superberries to improve skin texture and tone.

what are the benefits of using me?

- light and creamy will not leave the skin feeling dry
- ideal for daily shower use
- indigenous superberries provide actives that improve skin texture

who can use me?

- created for all skin types

how do you use me?

- apply a small amount into the palms of your hands and lather to provide a refreshing all over body cleanse. For a more exfoliating cleanse apply with a natural loofah.

what am I made from?

Certified organic content: 82%

Tazman Pepper, Riberry and Mutari Berry: Soothes whilst providing immediate and longer-term hydration. These three wise berries also act as a potent antioxidant.

Rosemary essential oil: With mild antibacterial properties and a fortifying effect on the body rosemary essential oil provides a tonic effect as well as providing a rich cleansing aroma that stimulates the senses boosting mental clarity

Peppermint essential oil: Awakening and enlivening, peppermint essential oil provides a cleansing and cooling effect to the skin.
