what am I made from?

Certified organic content: 78%

Shea butter: Shea Butter is extracted from the nut of the African Shea trees and is one of the most moisturizing and protecting natural products in the World! It protects your skin from UV sunlight, harsh climates, dehydration and pollution damages. Its precious constituents include complex fats, essential fatty acids (oleic, stearic, linoleic), vitamin E and D, provitamin A and allantoin. Legendary Egyptian Queen, Nefertiti, owed her beauty secrets to the wonders of shea butter.

Tazman Pepper, Riberry and Mutari Berry: Soothes whilst providing immediate and longer-term hydration. These three wise berries also act as a potent antioxidant.

Vanilla essential oil: Provides anti-oxidant properties and a deliciously warming slightly sweet aroma.

Peppermint essential oil: Awakening and enlivening, peppermint essential oil provides a cleansing and cooling effect to the skin.
