Our Story

SMALL THINGS KEEPING MEANINGFUL STORIES. MAKE EVERYDAY ESSENTIALLY A MEMOIR.

GoodAfterNine Jewellery was established in 2009 by two designers Chawanunt Thongpool and Tidarín Srisook who love and have a passion for creating novel, fun and original jewellery.

We create unique jewellery, heartmade and handcrafted. Inspired by the concept "Life is a journey" in a modern classic naturalistic style.

LOVE . HAPPY . SMILE

We create meaningful small things with **LOVE** that reflect your essence and are memorable just for you.

We're **HAPPY** to be part of your life journey, connecting your emotions and meaningful moments, to be a beautiful symbol in your cherished memories.

Be it stories of love, friendship, dreams, pain, or life's events. To carry forward stories and emotions, journey through time, talk, and create **SMILES** for you once again in the future.

Our Promise

ORIGINAL

In house production, We design, create, research, develop and produce from our studio, based in Bangkok, Thailand.

QUALITY

It isn't what's on the inside it doesn't matter.

We craft our jewellery from the best quality possible materials and check quality thoroughly before sending to you.

We choose the best quality material that responds to our jewellery.

So our jewellery can be designed and produced without limitation of a material price.

*Brass contains an alloy made of mainly of copper and zinc.

*Nickel-free plating to prevent skin allergic reactions.

*The thickness of gold 0.25 microns.

CRAFTMANSHIP

Our jewellery is using intricately delicate details and high-skill hand-finished experienced craftsman.

Each detail is delicately coloured hand-enamelled with naturalistic details.

All jewellery is completely hand-make.

Each piece is by itself unique and there may be slight differences but yet beautiful of its own.

Our teams, We spend a happy time together, Love and take care of each other as family.
