

TALAMEX

Superlight

TALAMEX SUPERLIGHT: Compact ship to shore tender

You want to enjoy a lightweight dinghy that is easy to set-up? Then the Talamex Superlight is the boat for you!

The Talamex Superlight inflatable boats are manufactured of German Valmex® PVC fabric, the best quality available. The boats are perfectly fit for Talamex electric outboard engines. And even though the boats are lightweight, they are still allowed to carry a 4HP or 5HP engine. The Superlight's hull and high pressure airfloor are attached into 1 piece. In this way the boat is even easier to set-up. The boat has a flat floor and no air keel. In the standard package of the boats is among other: a repair kit, handpump, aluminium oars, adjustable seatbench and SS lifting and towing eyes.

- Quick set-up
- Easy stowing
- Small packing
- Lightweight construction

A smart range

The Talamex Superlight is available in two different lengths:

SLA 230 Superlight: 230cm

SLA 250 Superlight: 250cm

Fully equipped

- ① Rubbing strake
- ② SS bow handle and towing D-rings on the bow
- ③ Lifting D-ring
- ④ Air chambers
- ⑤ Soft handles for comfortable grip
- ⑥ Adjustable aluminium seatbench
- ⑦ Lifeline for extra security
- ⑧ Aluminium oars
- ⑨ Luxurious sliding drainvalve
- ⑩ 0,55mm German Valmex® PVC fabric

Multi-chamber system

The Superlight 230 and 250 are equipped with respectively 2 and 3 air chambers for optimal safety.

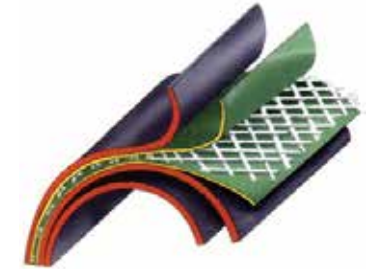

Luxurious sliding drainvalve

From the inside controlled sliding drainvalve.

Aluminium seatbench

The aluminium seatbench is adjustable, lightweight and maintenance free.

Valmex® PVC fabric

High quality PVC fabric for an extra long lifetime.

SS towing D-rings

Two strong SS D-rings on the bow.

Aluminium oars

Equipped with strong aluminium oars.

Handpump

Boat includes a handpump for bringing the boat to optimal air pressure.

Lifeline

Lifeline for extra safety.

The ideal lightweight tenderboat

The Talamex Superlight dinghies are extremely lightweight, has a very compact packing size and is easy to set-up. The airfloor increases the sitting-comfort and ensures extra flotation. The black colour is a true eyecatcher on the lakes and canals. With its aluminium seatbench and oars, the boat is perfect for rowing and the ideal ship-to-shore tender.

- 0.55mm German Valmex® PVC fabric
- Adjustable aluminium seatbench
- Aluminium oars
- Sliding drainvalve
- Rubbing strake
- Handpump and repair kit included

Mariner Outboard Engines

F2.5M F3.5M F4M F5M F6M F8M F9.9M

Mariner has a great reputation with its outboard engines. As reliable as the engines of Mariner there are few other brands. Just carefree years sailing pleasure.

The Mariner range at LankhorstTaselaar starts at the light 2,5HP engines for smaller boats to the heavier four stroke engines for larger boats! So there is always a model that fits your use and type of boat.
