SOLID AS A ROCK

To choose an EXPLORER is a committed action! To share passions, with friends, even many of them (16 maximum!), that is a nice programme. The versatility of the EXPLORER is limitless: diving, fishing, underwater hunting, nautic skiing ... beautiful weather, breeze or heavy seas? No worries; the EXPLORER will be always present and safe. The range consists of 5 models and has all the features requested to make a successful range: a deep v hull, a "lively" behaviour allowing it to go everywhere, a customized layout, and now the choice of the type of tube.

THE "+" of the PRODUCT

A customized offer, to design and modulate depending on the needs, the choice of the tube: Strongan™ Duotex™ or Hypalon™ NEOprene™, 2 colour choices: black or light grey, a perfect stability through a reinforced V hull, a foolproof strength thanks to a reinforced fabric, a countermoulded bow storage compartment
