Delivery and pickup is available for an additional charge. Rates are based on curbside drop of your order, which is a reasonable distance from our delivery vehicle. Our crew will leave items stacked in a single location outside and all items are required to be stacked and returned to that location for pickup unless prior setup, strike or portage arrangements have been made. With advance notice, other options such as stairs, specified delivery times or portage are available for an additional charge.

Please inquire at the time of your reservation.

Our standard delivery window is 3-4 hours and will be available to the customer 2-days prior to your scheduled delivery/pickup. If rental items are not available at the time the PTE crew is at the site, additional fees may apply to reschedule.
