Registered Design – Examination Not Requested

We have registered this design on 31 January 2017, and have included the Certificate of Registration.

Although this design has been registered, registration alone does not provide any enforceable rights. To be able to enforce this design it must be examined and if it meets our requirements a Certificate of Examination will be issued.

Initially, your registration lasts until 6 January 2022.

Thank you for using IP Australia's services.

What you can do

You can submit a request to have the design examined using [eServices at www.ipaustralia.gov.au](http://www.ipaustralia.gov.au) and selecting Designs and General eService from My eServices. Select the following:

- IP Right Type: Designs
- Request Category Type: Examination
- Request Type: Request for Examination by Registered Owner

If you cannot use eServices, you can make your request to have the design examined in writing via post. Please quote your application number, and make sure you include your contact details. We will get back to you with information about how to proceed and what the fees are.
