August 21, 2013

Dear Valued Customer:

Honeywell International, Ground Support Solutions, South Bend IN, would like to inform our customers of the dissolution of the repair/calibration license agreement with A.L.F. Enterprises for Honeywell ground support equipment (GSE) electrical products.

Effective immediately, all Honeywell GSE requiring repair or calibration should be sent to Value Tool and Engineering (VTE). VTE is the only licensed and authorized repair/calibration/service center for Honeywell GSE products.

Contact information for VTE:

Mr. Mike Kinney  
email: [mikekinney@valuetooleng.com](mailto:mikekinney@valuetooleng.com)  
Phone: 574-246-1913  
Cage Code: 1DBF7

Please contact Mr. Kinney prior to shipment of any hardware for ship instructions and RMA number.

New hardware sales and inquiries will continue to be handled by your normal contact at Honeywell International, Ground Support Solutions.

GSS Website: [www.honeywell.com/gse](http://www.honeywell.com/gse)  
[aerogseorders@honeywell.com](mailto:aerogseorders@honeywell.com) – to place or request status on GSE orders  
[aerogsequotes@honeywell.com](mailto:aerogsequotes@honeywell.com) – to request a quote on GSE products  
[aerogsesupport@honeywell.com](mailto:aerogsesupport@honeywell.com) – to request technical support on GSE  
[aerogsevendorsupport@honeywell.com](mailto:aerogsevendorsupport@honeywell.com) – for suppliers to GSS

As always, we appreciate and thank you for your business.

Sincere Regards,

Honeywell GSS Team
