BERG Chippy.

Looking for a special cool go-kart? Look no further, the BERG Chippy is here!

The Chippy has a special metallic paint finished with a cool black front fork and specially designed stickers. Due to its appearance you will instantaneously be the cool kid of the neighborhood.

With the BFR hub the Chippy is safe in use and you can drive it back and forwards and even brake without taking your hands of the handle bars.

Besides, the Chippy is extremely agile and it's lots of fun to drive one

The BERG Chippy is suitable for children in the age of 3 to 8 years.

- Special metallic paint.
- Unique tribal sticker designs.
- Driving forward, reverse and brake with the BFR hub.
- Years of fun due to adjustable steering wheel and seat (3 positions).
- Suitable from age 3 to 8 years.
- Extremely agile due to the minimal turning circle.
- Due to its compact size the BERG Chippy is easy to store.
- All Buddy accessories can be combined with this go-kart.
