

### Benefits of Trichome Extractors

- Sift profit right out of your trim without having to send it elsewhere
- Automated units take the hassle out of trichome extraction
- Take your sifted kief and press it into rosin with ease

<h3>Gravity &amp; Dry Ice Trichome Extraction</h3> <p>GreenBroz's Alchemists utilize a unique cube design featuring premium stainless steel screens to easily and automatically sift trim or flower into kief. Works with or without dry ice.</p>	<h3>Multi-Type Trichome Extraction</h3> <p>Original Resinators provide multi-purpose functionality, focusing on CO2 flash-freeze trichome extraction. They can also process bubble hash, fresh frozen material (live rosin), and perform blade-less trimming.</p>
