## Stani Borowski

Stani, the youngest son in this family, was born in 1981 and graduated from Koln Design Academy in Germany. As a newly born artist, he is the most intelligent and potential multi media artist in modern art circle.

His artworks are mostly collected by museums and collectors all over the world. In addition to his paintings and sculptures, made from bronze, metal and glass, he creates many unusual sculptures for the Artist Edition as well as colorful objects for the Studio Line and the Outdoor Objects collections.
