++ Note the following are **not** considered Nuts/Seeds: All fully refined Nut or Seed oils (i.e.Degummed, Neutralised, Bleached and Deodourised), Palm and Palm Kernel Oils, Coconut and Coconut oils, Nutmeg.

Section 2: Is this product free from the following

	Y/N	If yes give details
Aspartame	Y	
Additives (E' Numbers etc)	N	E330
Benzoates	N	E211
BHA/BHT	Y	
Cocoa	Y	
Coriander	Y	
Fruit and fruit derivatives	Y	
Glutamate	Y	
Legumes and Pulses	Y	
Monosodium Glutamate (MSG)	Y	
Meat and meat derivatives	Y	
Pork and pork derivatives	Y	
Synthetic Colours including Azo and Coal tar dyes	N	E124

Section 3: Genetic Modification

	Y/N	Details
Does the product or any of its ingredients contain any maize or soya products?	N	
Does the product or any of its ingredients contain any genetically modified material (whether active or not) Please identify ingredients which contain such materials	N	
Is the product or any of its ingredients not substantially equivalent as a consequence of the use of genetic modification? Please identify any such ingredient	N	
Is the product or any of its ingredients produced from, but not containing any genetically modified material? Please identify those ingredients, which are produced from such materials.	N	
Have genetically modified organisms been used as processing aids or additives used in connection with the production of these ingredients? Please identify any such processing aids or additives	N	
Have genetically modified organisms been used to produce processing aids or additives (GMO not present in aid or additive when in use) which are subsequently used in production of this product or any of its ingredients? Please identify any such processing aids or additives.	N	
Have genetically modified organisms been used as animal feed for any of the ingredients within the product? Please give details.	N
