

Aleph Objects, Inc. Extended Limited Warranty

1. **Extended Limited Warranty.** This Extended Limited Warranty (“Extended Warranty”) may be purchased by the original purchaser (the “Customer”) of an assembled 3D printer (“Printer”) from Aleph Objects, Inc. (“AOI”) within 30 days of the Customer’s purchase of the Printer. The Extended Warranty extends the standard 1-year limited warranty for an additional period equal to the period stated in the Extended Warranty purchased by the Customer (i.e. 1-year, 2-year, or 3-year). For example, the 2-year Extended Warranty extends the standard 1-year limited warranty for an additional two years, bringing the total limited warranty period to three full years from the date of shipment to the Customer.

2. **Non-Transferable.** The Extended Warranty is applicable to only the Printer or a replacement 3D printer authorized by AOI. The Extended Warranty may not be resold and is not transferable to any other 3D printer or to any person other than the original purchaser.

3. **Non-Refundable.** The Extended Warranty is non-refundable.

4. **Terms and Conditions.** Except as otherwise stated herein, this Extended Warranty is provided under the same terms and conditions as those of the standard 1-year limited warranty with which the Printer is initially sold and distributed. This Extended Warranty simply extends the standard 1-year limited warranty period, and is not a service contract.

5. **Contact Information.** Any questions as to this Extended Warranty may be directed to AOI as follows:
