Joyce Farms Naked Turkeys are different than the mass-produced, factory-farmed turkeys found in most supermarkets today. These all-natural birds are grown for superior culinary attributes and a high-quality eating experience.

We are proud to say that many chefs of four and five star restaurants feature Joyce Farms Naked Turkeys exclusively for their holiday menus.

OUR NAKED TURKEYS ARE:

- Fed a wholesome, all-vegetable diet with no artificial ingredients
- Processed in a modern, USDA-approved facility with strict sanitation guidelines and an approved HACCP program
- Hand-selected from the very best USDA Grade A birds

Joyce Farms is a family-owned company producing the most flavorful meat, poultry, and game available — all raised naturally on small family farms.

OUR SMALL FARM PHILOSOPHY

We believe small family farmers, with their deep caring and passion for the animals, are the best at raising them. That's why we partner with small family farms to raise our animals, including our Naked Turkeys.

Support for Joyce Farms and our partner farms promotes:

- ✓ A Strong Local Agriculture Economy
- ✓ Environmental Sustainability
- ✓ Traditional Farming Methods
- ✓ Animal Welfare
