

# WELCOME BACK TO FLAVOR<sup>®</sup>

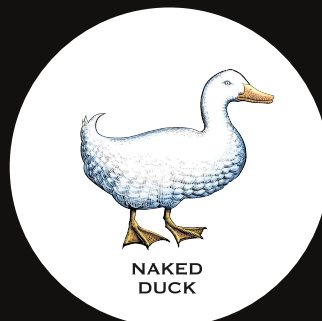

## HERITAGE LINE

The finest old-world breeds, raised on farms practicing regenerative agriculture.

## NAKED LINE

Domestic breeds raised on small family farms, with nothing added ever.

**JOYCE FARMS IS A  
THIRD-GENERATION, FAMILY  
COMPANY DEDICATED TO  
PRODUCING THE MOST  
FLAVORFUL MEAT, POULTRY  
AND GAME IN THE WORLD.**

## **NOTHING ADDED EVER**

All of our animals are raised on small family farms, free range or free roaming. They are able to mature at a natural pace, and they are never, ever given antibiotics, animal by-products, hormones or growth stimulants, or anything artificial.

**NO

## **REGENERATIVE AGRICULTURE**

Healthy food can only come from healthy soil. Unfortunately, decades of industrial farming practices have degraded our agricultural soil, threatening our environment, health, and the future of food production. At Joyce Farms, we use Regenerative Agriculture to produce flavorful, nutritious proteins, while protecting animal welfare and restoring health to the soil.
