A topical blend to support neurological issues

Instructions

TOPICAL APPLICATION

Drip the oils up the back and massage in, or you apply the drops to your hands and then apply them to your dog or cat in a petting manner.

How Much Should You Use?

10 pounds and under: 3-5 drops

11 - 25 pounds: 4-6 drops

25 - 50 pounds: 5-8 drops

Over 50 pounds: 6-12 drops

How Often Can I Use NeuroBoost™ ?

Dogs and cats with active neurological issues can receive a "boost" every day and during maintenance every 3-7 days.

Neurological issues are slow to heal so be patient and stick with it!
