

SKIN SPRAY BASE™

Essential Oils of Helichrysum (H. italicum), Frankincense (Boswellia carterii), Copaiba (Copaifera officinalis), Lavender (Lavendula angustifolia), Myrrh (Commiphora myrrha)

A blend to help repair damaged skin and resolve hot spots

Instructions

IN YOUR DOG'S BATH

Mix 10 - 20 drops of Skin Spray Base in @ 4 oz of 4-Legger Unscented Certified Organic Dog Shampoo to sooth irritated and inflamed skin and promote healing.

MISTING SPRAY

Misting Spray: Mix 10-20 drops of Skin Spray Base in 1 oz (30 mL) of distilled water to make a mist. Shake well before each use and lightly mist over the area. You can mist up to three times a day, as needed. In the case of eye surgery, the mist can be gently misted onto the facial area - and the essential oils will lightly be absorbed into the tissues - and aid in inflammation and healing. If your pet does not have a blink response. Please keep away from eyes.
