Gather Supplies

Suggested Fabrics

This pattern requires fabric with a good amount of drape, to avoid a stiff-looking garment in the skirt, but thick enough to avoid a transparent garment.

Summer options include: lightweight linen, rayon, silk, seersucker, tencel, chambray.

Double gauze, voile, georgette, lawn and muslins can be used but will need to be lined to add some support and reduce sheerness.

Winter options include: chambray, wools, soft corduroy, thinner velvets.

Lining options include: cotton poplin, voile, lawn and other lightweight breathable wovens.

Other Supplies & Notions

- Up to 24" (60cm) of light to medium-weight interfacing to stabilise the facings. Non-woven and knit types are both suitable, but knit will be more durable.
- 5 buttons or sets of snaps.
- The waist is bound as per the pattern. You will need up to 2 ¹/₄y (2m) of 1 ³/₈" (3.5cm) wide store bought binding or make your own bias tape using the template provided. If you wish to **additionally** bind the facing and armholes you will need a **total** of up to 5.9yd (5.4m) for faced version, or 1 ³/₄y (1.6m) for lined version.
- Optional: up to 19.3" (49cm) of ³/₄" (2cm) wide elastic for the elastic back option.

Fabric Requirement Chart - Sizes H-T

You may need more if matching plaids/checks or if you have a directional fabric. The fabric requirements are for a short or ³/₄ sleeve - for a full length sleeve, add the amount from the bottom chart. If sewing a lined version, you will need an additional 20" (50cm) of fabric for lining the bodice.
