# Print At Home Pattern Pieces

Use this set of pattern pieces if you wish to print on A4 or US Letter paper.

How to Assemble the Pattern

Trim off the bottom and right-hand edge of each page. Assembling the pattern is done from left to right, and top to bottom. Each page is identified by a letter and includes alignment diamonds and corner circles. Tape the pages together, and then cut out the pattern pieces in your desired size.

**We recommended to use layers
with this pattern.**
