Before you Begin

Add-On Inclusions

This pattern is a Reindeer Antlers Add-on or Expansion Pack for the Animal Coat, Cape, Vest, Hooded Scarf and Bonnet patterns. You will need to own a copy of one of these patterns in order to use this Add-on. You will find them here: http://twigandtale.com/collections/wild-things

Pattern Pieces

Pattern pieces include: Reindeer antlers and Reindeer ears.

Icons

Helpful tips.

Click on the **bold green** word, to navigate directly to to the page indicated.

I recommend reading this pattern through entirely to begin with. This add-on references your original Animal pattern so do have a read through to familiarise yourself. Better to have everything organised before you start!

Save a Tree!

Save a tree! This tutorial is designed to be viewed on an electronic reading device such as an iPad or phone while sewing.

Print Only What You Need

Use the layers feature to select only the size you need, and print only the pages you require for your desired option. This is further explained in the Printing Instructions.

Navigation Bar & Quick Links

The "Quick Link" section of the navigation bar at the bottom of each page helps you easily navigate to the most used sections of the tutorial. For example if you wish to go to the contents page, simply hover over the word "CONTENTS" until you see the little hand appear – click on it, and there you are!

On the right-hand side you will see the Pattern Name. When you click on this, it will take you to the Twig + Tale blog, where you can view all blog posts written about this pattern.

Upcycle Guide

Making a Garment from Recycled Materials

Did you know? All Twig + Tale patterns are designed to be made from upcycled materials! Here at Twig + Tale HQ, we are proudly passionate about recycling, starting as a small boutique making one-of-a-kind garments from upcycled materials under the name of Big Little.

We hope to encourage and inspire you to enjoy that same satisfaction of making something truly exquisite from discarded textiles. Here are some ideas on how to make your garment from upcycled materials – saving the planet and your pocket.

Pure linen hand embroidery in Christmassy reds for fun Reindeer antlers. \$1

Scraps of leather or suede from old coats for ear detailing. \$5

Glittery sequin fabric leftover from making a dress would add a lovely festive touch. \$ free

Vintage red and white stripe cotton - I found a few metres of this fabric at the second hand store, new. \$3

Gather Supplies

Suggested Fabrics

For the Reindeer antlers you will need to use a light weight cotton, quilting cotton or something of a similar weight. With anything heavier than this, you will struggle to turn them out after sewing.

Other Supplies & Notions

- Pipe cleaners
- Stuffing for the Antlers

Sewing Instructions

Welcome!

THIS IS AN ADD ON FILE - You will need to use your existing Animal garment pattern pieces in order to use this add-on.

Before we start - did you know there is a **Twig + Tale Community Sewing Group on Facebook**? It is a great place to ask questions if you need help along the way, and of course show off pics of your finished items. We look forward to seeing you there! Link above not working?

Copy and paste this instead: https://www.facebook.com/groups/522332691240127/

Cutting Out

This tutorial covers the construction of the wee Reindeer antlers. Please construct the Reindeer ears as per the regular ear instructions in your original Animal pattern.

Cut out your Reinder Antler paper pattern piece. You will see a solid cutting line and a dotted sewing line.

Roughly cut out your two pairs of antlers, remember ing to cut two mirrored pairs.

You don't need to cut them out perfectly as you will be trimming off the allowance later.

Tape your paper pattern piece up to the window and one of your fabric pieces on top (wrong side facing you).

Mark the dotted "sewing" line onto your fabric piece.

8

Sewing the Antlers

Set your machine to a smallish stitch.

Sew around the dotted line you drew on, ensuring you backstitch well at beginning and end.

Trim a good half of the seam allowance off, and then snip into the tight corners, quite close to the stitching line, but not cutting the stitches.

If you have pinking shears, they would be good to use here.

Turn right side out. This is quite tricky and a little fiddly – but if you have used a lightweight cotton, it will come through.

I find using a pair of long tweezers or haemostats works really well for this (and for stuffing too!)

Take your pipe cleaner and make a little loop at one end. Poke it right up into the longest point of the antler.

Stuff using tiny bits of stuffing at a time. Poke them right to the ends before adding more.

The first antler is done! Repeat for the other antler.

Sew the Ears

Construct the Reindeer ears as per the instructions in your original Animal pattern.

Attaching the Antlers and Ears

If the Animal garment you are making has a Front Band piece, then sew the antlers in next to the ears. Otherwise sew them in just behind the ears, in the seams of the center panel as shown in this image.

You may wish to trim some of the base off the Antlers if they are a little top heavy.

The pipe cleaners need to be sewn into the seam for stability and then bent up when garment is complete.

6

Quick Links

CONTENTS GARMENT OPTIONS SUPPLIES PRINTING INFO SEWING INSTRUCTIONS INSPIRATION If you are adding antlers to an existing garment, you can turn under the edges, stuff the antlers right to the edge and hand stitch them onto your finished hood.

The pipe cleaner will keep the antler itself sturdy; however, you will need to manipulate the end of the pipe cleaner so it is is within the bottom of the antler before hand sewing. With the pipe cleaners not being sewn into seams, the antlers may flop a little, but they will still look sweet.

Now it is time to show it off - join the **Twig + Tale Community Sewing Group on Facebook** and share it with us!

Size Notes

This is a one-size-fits-most Reindeer Antler & Ear pattern template.

You may wish to reduce the size if making a baby sized garment.
