

My 6 week old instantly went from sleeping only 2-3 hours at a time to 5-6 hours! He looks so snug and comfy.

Thank you for letting me find out how it feels to sleep again! "

Why Health Professionals Love Our Swaddlers...

44 At last, a swaddler appreciated by babies, parents AND paediatricians. I recommend it wholeheartedly. And most of the babies I have seen in the Ergobaby Swaddler are asleep.
