Voice gateway (ALEXA ready) with 4, 16 or 20 voice commands for CASAMBI networks

Allows you to control your devices in CASAMBI networks using self-defined voice commands

Configurable on smart devices and usable in many ways, setup software available free of charge in the app Store

Also requires an ALEXA-enabled device

Can also take over the gateway and clock function for CASAMBI networks

A 50 cm USB-A to micro USB-B cable is included in delivery
