

LOLA led profile

Our PROFESSIONAL led profile series for surface/hanging applications is manufactured in high purity aluminium, with 8 different colours to choose from.

Its inner tray (where we can find the led and power supply) can be removed from the front which means easy maintenance. The tray can also be placed on the upper part of the profile.

It has a transparent or frosted microprism cover which improves UGR.

Both profile and covers are available in lengths of 6m, allowing us to carry out long installations without joints.

We offer a 10 year guarantee on the profiles and 4 year guarantee on the covers.

Aluminium profile

17.012	azure blue lacquered (ral 5009)	6m
17.013	white lacquered (ral 9003)	6m
17.014	black lacquered (ral 9005)	6m
