

led profile by Luz Negra

Our PROFESSIONAL led profile series, treadable and for indoor use, is manufactured in high purity aluminium and available in anodised black. It is intended for lateral side lighting, and suitable for illuminating floors and stairs, or others.

This profile and its covers are available in lengths of 3 metres and allow you to house led strips with a maximum PCB width of 10mm.

We recommend combining this profile with ecoled Canovelles to obtain a dot free effect.

We offer a 2 year guarantee on our profiles and covers.
