Weight: 26 lbs / 12 kg

“How to improve an audio icon, like the S150”

During the past years, sound has reached new dimensions. New audio formats, high definition sound combined with the requirements from our critical professional users, have led us to the all-new state of the art S300 SERIES. The S300 SERIES is built to perfection and in order to insure our unique high quality level the whole range is manufactured in Denmark. The S300 SERIES is designed and engineered by M&K Sound, and it is also the first ever M&K Sound product carrying our new reference logo Miller & Kreisel ®. With the S300 SERIES we'll introduce the next dimension for the future home cinema and music systems.
