

As a hostess, you must enter all customer orders by the Wednesday after your show. Use the pink working order form, included in your trunk to take customer. This pink worksheet is your record of orders in case your customer contacts you with questions. **PLEASE KEEP THIS PINK FORM AND DO NOT MAIL BACK TO RED BEANS.** Each customer will receive an email confirmation for their individual orders that you place.

To enter your Customer orders on the website:

1. Go to www.redbeansonline.com.
2. In the top right hand corner, you will see a magnifying glass icon. Click on the icon to get the search screen and type the name of your first item.

3. Double check that the item that pops up is the item that your customer has ordered. If so, click on the item to select your size and component combination. Be sure to enter each component specifically as your customer has ordered the item. If you are missing information for a component, please contact your customer to clarify before entering the order.
4. Add the item to your cart by clicking on **Add to Cart**.
5. Repeat steps 2-4 until you have entered all items for the order.
6. Once you add the last item, you will click **View Cart**.
7. This will bring up all items in your Cart. Verify all items in the cart are correct. Please make sure you double check each order for size, components, etc - as all orders are given to our artisans as placed and you will be responsible for any order entry errors.
8. When all items are correct, click on the **Specify Hostess** Box and add your name. Please be sure to add your name in this box as this will be used to reconcile your Tally Form so your credit can be issued.
9. Next, click on Check Out.
10. Follow the prompts on the screen to enter all of the customer's information. Do not click on the box to save this information for next time.
11. Standard Shipping will always be checked and the shipping cost will be calculated by the ordering system.
12. Click on **Continue to Payment Method**.

13. Choose if the customer is paying by Credit Card or by Check. If paying by credit card please enter all of the card information along with the correct billing address as recorded on your pink order worksheet. If there are any issues with the card, please contact your customer directly to resolve. If a customer chooses to pay by check, please send all checks from your show back to us in the preaddressed stamped envelope provided in your hostess packet.

14. Click on Complete Order. The next screen will be the confirmation screen. Please enter the order number in the top left hand corner on your pink Order Worksheet as it is the only confirmation that you will receive that the order is confirmed. Your customer will receive a confirmation email at this time as well.

15. Repeat this procedure for each order placed at your show. We ask that all orders from your show be entered the Wednesday following your show.

16. At this time, you will also complete your Tally From for the show. Once you complete your show Tally form and you have entered your personal order total in the Tally spreadsheet, you will need to email the Tally to glynes@redbeansonline.com. Once we receive your Tally and reconcile it to the orders entered, we will issue you a one (1) time code to be used to place your personal order on the website. This code will discount your order in the amount of your earned hostess credits and only charge you for an overage, if applicable. We ask that your personal order be placed by the Friday following your show to ensure timely delivery.

NOTE: All sample sale orders must be entered online. The sample inventory is real time inventory sold on a first come, first serve basis. This inventory will not be held under any circumstance. If you are not able to enter an order for a specific sample it means that all samples for that item have been sold and the sample is no longer available for purchase.

If you have any questions on the order entry procedures, please do not hesitate to contact us.

Many thanks in advance,
