

Robot Coupe Food Processor CL50

Robot Coupe Food Processor Kit w/ (2) Slicing Discs & (3) Dicing Discs, 120v, CL50

Product features

- Larger hopper for processing bulky vegetables such as cabbage and celery. Can accommodate up to 10 tomatoes at a time.
- Cylindrical hopper for processing long or delicate vegetables (carrots, cucumbers, mushrooms) with flawless cutting precision.
- Polycarbonate motor base designed to withstand the processing of large quantities.
- Lid and pusher design eliminates open catch areas where food particles could accumulate.
- These models boast a lever-activated auto restart, making them more user-friendly and optimizing throughput.
