

SM-AF8089C
Air Cooler & Humidifier

Feature:

- Electronic Control / Mechanical typhoon cooler
- Horizontal and vertical oscillation
- Super air flow: 6000m³/h
- Wind speed: 9m/s
- 3 Wind speed work with stainless steel fan
- Water cycling system work with pump on 3 sides
- Honeycomb filter
- Pump protection system
- Water tank capacity is 80L
- Cooling power: 250W
