

Chinese Style Environmental Cooking Range w/1 Front Stove Burner & 1 Rear Pot & 1 Rear Burner

SML-1011B5

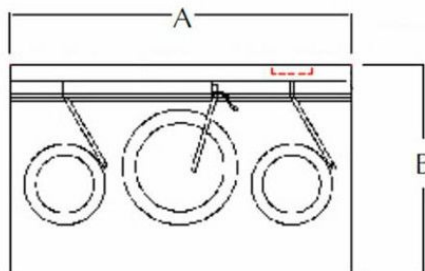

Features

- Operational noise below 70dB
- Energy saving: reducing gas consumption up to 25%
- Insulated top for efficient water consumption
- FR flame failure and safety control system
- Individual air blower
- Less than 0.01% CO emission
- One-press design for air blower
- Built with a seamless top to ensure durability and sanitation.

Specifications

- Dimension (inch): L: 59 x D: 41.3 x H: 31.9+17.3
- Dimension (mm): L: 1500 x D: 1050 x H: 810+440
- Specify Natural or LP Gas
- Power Rating: 142,000BTU/h=(100,000+42,000)
- Gas Pipe: DN20
- Water Inlet: DN15
- Water Drainage: DN40
- For 18"~24" wok
