

## Gas Range with 2 Blower Burner and 2 Rear Pot

Model No. SML-2002B5/C5/D5

**SML-2002B5**

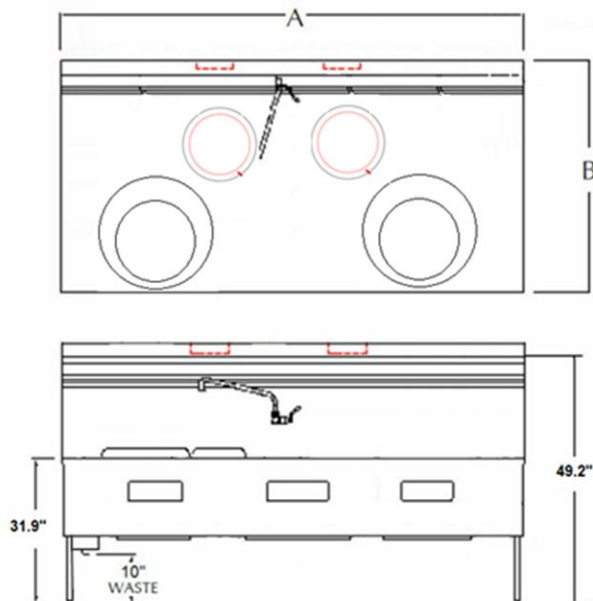

### Features

- Operational noise below 70dB
- Energy saving: reducing gas consumption up to 25%
- Insulated top for efficient water consumption
- FR flame failure and safety control system
- Individual air blower
- Less than 0.01% CO emission
- One-press design for air blower
- Built with a seamless top to ensure durability and sanitation

### Specifications

- Specify Natural or LP Gas
- Power Rating: 200,000BTU/h
- Gas Pipe: DN20
- Water Inlet: DN15
- Water Drainage: DN40
- 14" Cast iron ring for double ear iron wok
- Weight: 707kg

### Dimensions

	A	B	C
Model#	Length	Depth	Height
SML-2002B5	55.2"	49.2"	17.3"
SML-2002C5	55.2"	41.3"	17.3"
SML-2002D5	55.2"	41.3"	3.9"
