

Chinese Style Environmental Cooking Range w/2 Front Stove Burner & 1 Soup Pot Burner

SML-2100B5

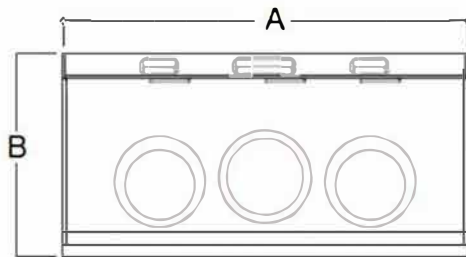

Features

- Operational noise below 70dB
- Energy saving: reducing gas consumption up to 25%
- Insulated top for efficient water consumption
- FR flame failure and safety control system
- Individual air blower
- Less than 0.01% CO emission
- One-press design for air blower
- Built with a seamless top to ensure durability and sanitation

Specifications

- Dimension (inch): L: 82.7 x D: 45 x H: 31.9+17.3
- Dimension (mm): L: 2100 x D: 1150 x H: 810+440
- Specify Natural or LP Gas
- Power Rating: 310,000BTU/h=(100,000 x 2 + 110,000)
- Gas Pipe: DN20
- Water Inlet: DN15
- Water Drainage: DN40
- For 18"-24" wok
