Crazy Aaron's MAP Policy & Terms of Service

Crazy Aaron Enterprises, Inc. (Crazy Aaron's) designs and manufactures Thinking Putty® and Land of Dough® in the USA. Our people are as wonderfully unique as our product, and much of our organization's success comes directly from our sales representatives, distributors, accounts, and stores. Our trusted partners invest significant time and resources to create extraordinary brand experiences and exceptional customer service, and we do all that we can to protect and value those relationships.

As a result, Crazy Aaron's has unilaterally adopted this Minimum Advertised Price ("MAP") Policy, effective January 1, 2023, to continue this mutually beneficial partnership. Retailers must agree to the following conditions of the MAP Policy to avoid the consequences of non-compliance.

1. Both brick and mortar retailers and e-commerce only retailers (collectively "retailers"), must be authorized first by Crazy Aaron's to sell its products. **Authorization to sell must be approved in writing by a duly authorized representative of Crazy Aaron's. All requests for approval to sell shall be sent to cheyanne@crazyaarons.com through completion of our New Account Application.** Crazy Aaron's shall unilaterally determine which retailers shall be permitted to sell Crazy Aaron's products online. Crazy Aaron's shall respond within five (5) business days to any request by a retailer to sell products. If Crazy Aaron's fails to respond within that time, the request shall be deemed denied. Crazy Aaron's reserves the right to withdraw approval to sell to any retailer with or without cause by providing the retailer with thirty (30) days written notice of such withdrawal. Such notice shall be signed by a duly authorized representative of Crazy Aaron's and sent via USPS certified mail, return receipt requested, directing the retailer to remove Crazy Aaron's products within a specified period.

Prohibition on Amazon Sales: Crazy Aaron's is the sole authorized seller of its goods on Amazon.com and e-commerce sales through Amazon.com by customers of Crazy Aaron's will not be permitted except by special, explicit written approval.

NOTHING IN THIS PARAGRAPH SHALL BE CONSTRUED TO SOLICIT, ACCEPT OR REQUIRE RETAILER TO APPROVE THIS POLICY – THE AUTHORIZATION PROCESS IS SIMPLY CRAZY AARON'S UNILATERAL PROCESS FOR OBTAINING INFORMATION ABOUT RETAILERS, AND THE APPLICATION OF THIS POLICY IS UNIVERSAL TO ALL RETAILERS AND NOT SUBJECT TO NEGOTIATION OR MODIFICATION. THIS POLICY IS NOT AN AGREEMENT OR A CONTRACT.

2. Product advertised less than 1 cent below the manufacturer's suggested retail price ("MSRP") will be a violation of this MAP policy ("MAP Price"). This policy applies to all Retailers, not just online sellers. All Retailers are responsible for staying current with the MAP, understanding what products are affected by the MAP, and for reviewing the MSRP pricing page on Crazy Aaron's website located at <https://crazyaarons.com/pages/msrp-pricing> in order to determine current MSRP.

Listing a price lower than permitted under this MAP Policy next to a product that is protected by this MAP Policy in any advertising will be viewed as a violation of this MAP Policy. This MAP Policy applies to all advertisement of MAP products in any and all media, including without limitation, flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, mail order catalogs, internet or similar electronic media including websites, Internet auctions, auction websites, flash sale websites, social media posts, forums, email newsletters, email solicitations, television, radio, and public signage. Website features, such as pre-formatted email responses, forms, automatic price display for any items prior to being placed in a customer's shopping cart, and other similar features, are considered to be communications initiated by the retailer (rather than by the customer) and this constitutes "advertising" under this MAP policy (notwithstanding the above, this provision shall be construed in a manner consistent with applicable law defining the term "advertising"). This MAP policy also applies to any activity that Crazy Aaron's determines, in its sole discretion, is designed or intended to circumvent the intent of this MAP Policy. The advertising prohibitions in this MAP Policy specifically do not include brick and mortar in-store displays, nor the product's in-store price tag. A non-exhaustive list of examples of instances to which this MAP Policy applies are as follows: (1) instant rewards promotions (including discounts for both specific amounts or percentages); (2) buy one get one free promotions; (3) "click for price" promotions when the cited price is lower than the MAP and available before the item is in the customer's virtual shopping cart, and (4) any suggestion that a lower price may be found at the online checkout ("add to cart to see a lower price").

3. Where Crazy Aaron's products are bundled with or sold as part of a package that includes other products (whether or not manufactured by Crazy Aaron's), it shall be a violation of this MAP Policy to advertise the bundle (or package) at a price that: (a) is lower than the total Minimum Advertised Price of the Crazy Aaron's product(s) or (b) violates the letter or spirit of the MAP Policy. It shall be a violation of this MAP Policy if products are bundled with or sold as part of a package that includes products not pre-approved in writing by an authorized representative of Crazy Aaron's.
