

HOW TO

MAKE YOUR OWN

COOKIE BAG

CRAFT  CRUMB

CUTS: SOLID LINE
FOLDS: DOTTED LINE

1 Get your favourite colouring, pens or pencils and colour the cookie bag how you wish. Or you can do how we've done it on the right.

2 With the help of an adult, carefully cut along all the solid grey lines, and fold along the dotted grey lines. (Using the edge of a ruler helps get nicer folds).

3 Fold all the flaps back so the monster face becomes the front of the bag and I LOVE COOKIES is the back. Ensure the 2 side flaps and 2 base flaps are on the inside of the bag.

4 Now apply a generous amount of pritt stick to the side panels specified, one at a time. Press and hold this side to the back of the I LOVE COOKIES panel. Repeat this on the other side.

5 Allow the glue to dry for a few mins and that's it YOU'RE DONE!!
