

HOW TO

MAKE YOUR OWN

FRUITY FANS

CUTS: SOLID LINE
FOLDS: DOTTED LINE
TAPE: LIGHT BLUE

1 Get your favourite colouring pens or pencils and colour as you wish, or you can colour how we have, over on the right.

2 Using a ruler and the tip of a butter knife or similar blunt edge, score quite heavily along the dotted lines.

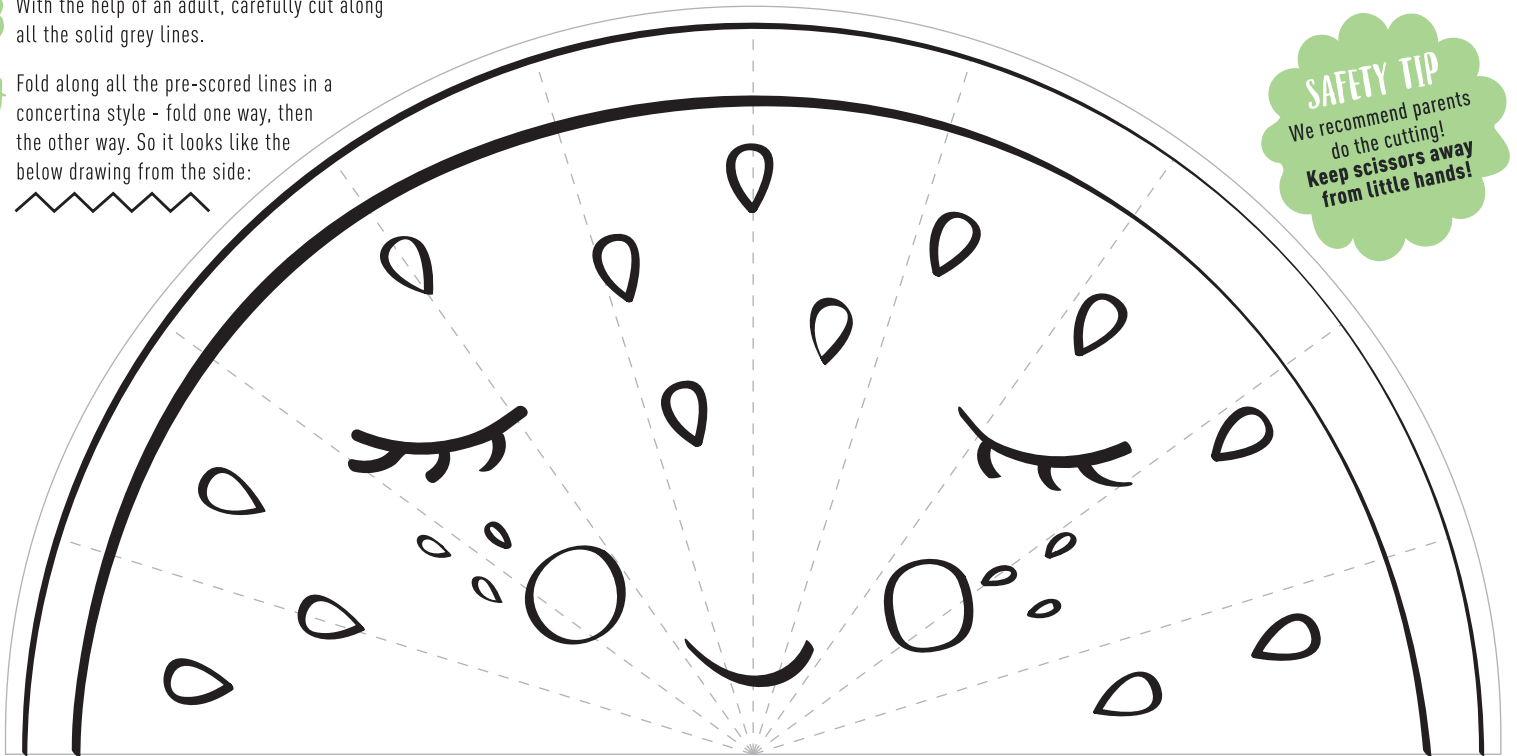

3 With the help of an adult, carefully cut along all the solid grey lines.

4 Fold along all the pre-scored lines in a concertina style - fold one way, then the other way. So it looks like the below drawing from the side:

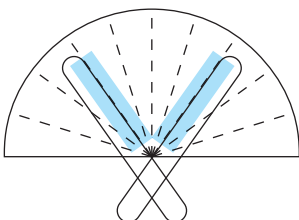

SAFETY TIP
We recommend parents do the cutting!
Keep scissors away from little hands!

5 Use sticky tape to stick your wooden sticks to the back of the fan, like the image below:

That's it YOU'RE DONE!
