

HOW TO

MAKE YOUR OWN

HONEY BEAR PICNIC BASKET

- 1 Using a ruler and the tip of a butter knife or similar blunt edge, score quite heavily along the dotted lines.
- 2 With the help of an adult, carefully cut along all the solid grey lines.
- 3 Fold along all the pre-scored lines, so you have your coloured design on the outside of the basket.
- 4 Apply a generous amount of pritt stick to all 4 end glue flaps. Now stick each glue flap to the un-printed

side of the LONG SIDE PANELS, ensuring the edge and corner lines up nicely. Press and hold each glue flap firmly to ensure the glue sticks.

- 5 To fit the handle, fold back the small tabs on one end, hold them flat and push through the slot (from the printed side) of the basket, once through open up the tabs, then tape or glue them flat to the inside of basket.
- 6 Repeat for the other side of the handle and that's it **YOU'RE DONE!!!**
