TANA original \$100/\$110

This is the bag dubbed the “Game Changer” in 2014. With its successful launch as a Kickstarter backed project, this bag bridged the gap between \$30 and \$170 in the backpack marketplace. The TANA was the first \$100 backpack of its kind that has all the functionality, comfort, and features at a great price point that is more affordable to the everyday golfer.

To this day, the TANA is still considered the best pound for pound bag based on price and quality.

Antananarivo - Temporarily French Tananarive, also known by its French colonial shorthand form TANA, is the capital and largest city in Madagascar.

TANA PRO \$145

The TANA PRO is the upgraded version of the original TANA. It uses all the original design elements of the TANA and added extra features like higher quality zippers, thicker straps, a rainfly, tougher material, etc. Even with these upgrades, we managed to bring home a bag that still slides under the \$150 price point and have all the same sought after features as the more expensive bags on the market!
