Notes:

- We consider one dose to be between 3 to 5 pellets.
- Our remedies are dispensed on #30 (~3mm diameter) pellets made from 100% sucrose (derived from cane sugar). The pellets are milky white and round.
- Remedies labeled with (TS) are available only as tissue salts, which are dispensed on lactose based tablets. We carry Hyland’s brand tissue salts. We also have a lactose-free version available from Helios.
- Remedies labeled with (RX) are **Prescription Only** and are dispensed only under the recommendation of an approved healthcare practitioner that is registered with Castle Remedies.
- If we do not have the remedy or potency you are looking for, please contact us. We can often specially order the remedy or potency you are looking for. Please allow up to four weeks for us to process and receive specially ordered remedies.
